Case No. 12-12020(MC)

Ailette Cornelis

US Bankruptcy Court  
New York N.Y.  
Southern District of NY

Dear Sir/Madam,

My name is Ailette Cornelis

I am writing concerning my case, relating to my settlement agreement with Mr. Pitts from the law firm of Residential Capital, LLC Borrower Claim Trust.

I am asking the court please to look into my agreement I made with Mr. Pitts, who was the person handling the claims..

I was totally ignorant, as I am now, of all the stipulations of the amount of what I am suppose to receive from the settlement. I was supposed to be in court, when I was called by my Pitts making the offer to me. I gave up my rights to be in court, and accepted the amount of \$13,000 without knowing my rights. After some time I realized that I made a mistake.

I am therefore, asking the court to please to give me a chance to be in front of the Judge so that my case can be heard from some one who will be wise and fair to all concerning

concerning this matter. I was asking for a  
hundred and thirty dollars, that we  
what I was asking for in my initial  
claim. (\$130,000)

may god bless and keep you  
for your consideration.

your truly

Aileen Cornelius,
